CRL would like to remind visitors that driving on mining leases without permission is unsafe and is considered by the law to be trespassing. Due to the nature of CRL's operations heavy equipment is used across the leases which may pose a safety threat to all vehicles and motorbikes. For your own safety where you see a sign that indicates you are about to enter a mining lease please think of your personal safety and do not continue. If you have any questions about CRL's operations please contact CRL's Dunwich Office, on (07) 3409 6800.
